

Rugged Design  
Professional Quality  
Proven Performance  
Economically Priced

**The Profitable Source  
for Finishing Products**

## **Gfp 865DH-3**

**Professional Dual Heat Laminator**

For finishing professionals who need versatility, quality, and economy in one machine, the Gfp 865DH-3 delivers. Turn out thermal encapsulation with low melt films (1.5-10mil), PSA lamination, and mounting jobs quickly and easily.

### **865DH-3**

#### **ULTIMATE FLEXIBILITY**

*Dual heat for thermal & cold apps*

#### **PROFESSIONAL FEATURES**

*Produce Professional results*

#### **FAST ROLL CHANGES**

*Front/Rear Swing-out shafts*

#### **EASY LOADING**

*3" Quick-Grip Swing-out Shafts*

#### **INDUSTRIAL DESIGN**

*Years of maintenance-free service*

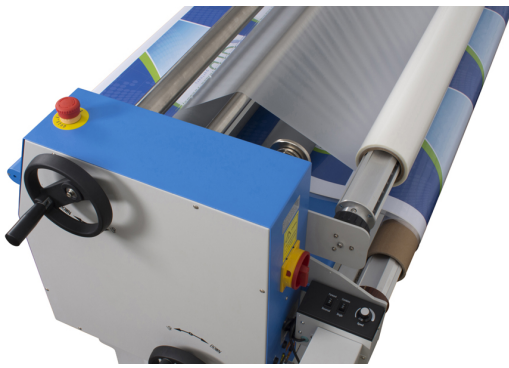

***laminating • mounting • encapsulating***

### ***Our most flexible, cost-effective laminator yet***

Spend less time on set-ups and changeovers with swing-out Quick-Grip supply shafts. Two front rewind shafts allow thermal encapsulation of prints from a roll.

- **Labor saving swing-out 3" Quick-Grip supply shafts**
- **Drop-in Quick-Grip rewind shafts**
- **Photoelectric eye for operator safety**
- **Independent top and bottom heaters**
- **Web clutch adjustment for output quality**
- **Optional motorized rear rewind**
- **Swing up feed table and 38" output height**

Motorized rear rewind  
for roll-to-roll  
applications

Front and rear swing-  
out film shafts for  
easy loading
